# McConnell Queen Combination

Two-in-One Stove. Not a semi-combination, but a real combination. Beware, of a one-oven combination for it is always liable to combustion.

McConnell's Queen Combination is a range in a class by itself and always gives satisfaction. It has four standard gas burners and a simmerer; a standard gas oven and an 18-inch coal oven. See this range before buying.

Terms to Suit.

## Moore's All Cast Bakerite Range

This range is constructed of the highest quality of gray superior cast iron, which insures long life. It is equipped with the new superior twin fine heat regulator, which forces the heat to all parts of your oven or throws the heat just under the six lids of your range. This feature greatly decreases the use of fuel. It also has the slotted fire back like the original Moore's Air-Tight Heater. Moore's Ranges are standard and are known the world over for their superior baking qualities. This range has six eyes and a large 18-inch oven. Like illustration. This is the range for you to buy. Ask to see our \$44.50

six-eye Steel Range.

# Moore's Hot Blast **Firekeeper**

This is a dandy little stove for one large room and will give a maximum amount of heat with a minimum amount of fuel. It has a heavy reinforced fire bowl and is constructed of cold rolled steel. Also has a separate ash pan, which does not compel you to rake out the ashes and allow the same to
